Please fill out this questionnaire to the best of your ability. If you need more space, feel free to write in a Word document. We will discuss the questionnaire at our first meeting, so feel free to give more details during that meeting. These questions are personal and the answers will be kept confidential. Please be honest. The mentor desires to work through the answers graciously with the goal of helping you to grow to be like Jesus.

Please also complete the child safety training, including the background check.

What is your availability during a typical week? Please include nights and weekends:

Describe your testimony. How did you become a Christian?

How has God been working on your heart lately?

What does your time with God look like at this stage in your life? (Scripture reading, memorization, prayer, etc.)

Please be prepared to discuss your current and recent track record of obeying God by abstaining from pornography, related forms of sexual sin, or other life-dominating sins. If you have sinned in these areas, please be prepared to explain and be specific in regards to frequency, when the sin occurred (e.g., in the past week, month, year, 5 years?), and what you have done to fight for a pattern of obedience.

What do you think your spiritual gift(s) or strengths are?

What are potential areas of weakness?

Why do you think you should work in ministry?

What do you hope to get out of this internship?

Which people have been most influential in your life, and why?

Which authors have been most influential in your life, and why?

What are some of the expectations you have for this internship?

What concerns or other questions do you have about the internship?
